

# Winning Back Local Democracy

*the power of communities*

**The  
Point**  
thepoint.net.au

The Point ESG News Site will host this important and informative webinar about NSW communities who have been battling since 2016 to win back local democracy and restore their councils.

**How to make the 25 March NSW State government election a poll on how the state has failed local government and affected communities across NSW**

Register today for your opportunity to listen to the speakers, ask questions and become part of the solution.
